Title: FW: Upgrade proposal TO: JEE

Reference: Lighting strike to wireless link from Main House to Ranch Central and Managers Cottage.

Attached proposal from VCI for the replacement/upgrade of the wireless link that services ranch central, managers accommodation.

This proposal also upgrades present infrastructure that provides service to the lodge, from a dial up internet connection to a wireless connection.

Also allows for the future development of VOIP, security systems, remote access and monitoring, network extenders for cellular service, etc
