Dear Jeff:

For next Tuesday, is it ok if I come by from about 10am and that we have a working lunch, until perhaps 1pm? Does that work? (trying to coordinate a few things).

Looking forward,

B.

PS: should I just call when I arrive?

PPS: do you happen to know Theodore Roosevelt Malloch of Jupiter??? Ted is a philanthropist and in his spare time enjoys putting together CEO meetings; he produces my Lyford Cay summits and I intend to see him later that day- if you like, I'm happy to make an introduction after lunch- he will either come to pick me up himself or send a car.
