Title: Re:still alive and walking

I am still finishing this friggen Cannes Diary...due now. Then I have to location scout 4 places for "Coco before Chanel" Sept premiere - (possibly you are free enough to come?) And finish going on line and picking all the photos to add to my own for the story. The Oscar story is so easy because it's four days....Cannes is 10...with nine events a day. Want to shoot myself.

Will call this afternoon...

Totally love you...I am making your proud of me.

xoxo Peg
