Larry, Sn 638 is on the market it is listed in the MLS since January. I am told by the authorized broker that the official ask is \$32.0 . I don't say this lightly but you need to be very very careful of the broker that gave you this information. Private jet does not have the exclusive, Jetvaluation is the broker [REDACTED] [www.jetvaluation.com](http://www.jetvaluation.com). The aircraft is owned by a Russian I am told and has been on and off the market.

All that said if it were available for \$25.0 that would be a deal. If Private Jet can sell it for that they are performing a back to back transaction so it can be bought for less. Sorry to vent but this is a not a good group.

Best regards,

Sean J. Lancaster
