Hey Jeffrey,

Hope you are doing well!

Happy to let you know I was able to get all the exams done in time!

I'm going to the doctor on Tuesday for my last visit; just to pick up all the exam results and final details..

Really glad that's over with.. Can't tell you how worried I was it wouldn't be done in time to travel..

I know you would like for me to come there this week, but I was hoping you would let me come once I get back from BR.

It's my last week here, there's still a couple of things I needed to get done since I will be away for so long.

I wanted to spend as much time as possible with my dad. He's been a little depressed..

And it's father's day this Sunday.

I hope you can understand..

My surgery is scheduled for June 25th, and Sunday is Father's Day. So I think the best day to travel to BR would be on Monday the 22nd at night.

I have a court date on the 29th of July. So my return would have to be before that.. I

think the 26th of July is best date to come back, just to be safe. I can't miss that court date!!

After that court date I'll be able to come down to Palm Beach to spend sometime. Plus, you will be free, even better!! ☒

I am soooooo excited☒ Thank you again!!

You have no idea how happy this makes me...☒

Big kiss.
