Title: Re:

Went to Hamptons Magazine yesterday to edit photos -have to go back today to see layout.

Finally had a heated email exchange with the overstretched editor Cristina Cuomo - who finally gave me an editor.

Sent in 5,000 words- editor loves- but gave me suggestions on cutting to now 1300...  
Just ADDING about AmFAR and Sharon Stone and closing night...and then cut.

Have small press 10:30am screening the Bob and Harvey Weinstein's "The Road"  
and back to final edit.

Did great screening for doc "Food Inc" last night- you will never eat another chicken again- and a gourmet dinner in Soho french culinary school's restaurant for 120....the students cooked. Nora Ephron came- she has hot new film "Julia and Julie" coming out Aug 7 with a New York event July 30th...where are you? in New York or FLA...can you come. About Julia Child....your favorite girl- but meant to be a blockbuster with Meryl.....sort of a Devil Wears Prada in the kitchen...have not seen yet.

Will call asap.

Ghislaine had an event last night at her home with BF- could not be in two places at once- need to be where they pay me to take a shower and dress.

xoxo p
