Hi Jeffrey,

In May I attended a meeting of the Harvard Kennedy School Women's Leadership Board and was asked by the Board to join as a permanent member. Carol N. Fulp (she is a VP with John Hancock in Boston) is a board member and she would nominate me.

Sponsorship is available through one's place of employment either through a corporate or individual membership. I would like to ask that I be able to join through the sponsorship of FTC. I believe that this would also fulfill our continuing education requirements under the EDC. I have attached the Membership Profile and Nomination Form for your review. As indicated on the form, the annual individual membership fee is \$10,000.

Please let me know what you think.

Best regards,
