Title: In the office

Are you around? Want to talk? I am in office till 3:30pm- then screening to 6:00pm.. Then around on cell...have a hip downtown party that Salma Rushdie and Laurie Anderson are giving for their birthdays in artist Clifford Ross's (son of rich dead Arthur) rented village brownstone- owned by Gwyneth Paltrow who is in LA filming- Clifford is recently seperated...and just became famous late in life...xoxo Peg

Asked Dr. Harold Koplewicz to write a letter to travel insurance- have call into Paula about getting a replacement to pay their way...

Busy with work- saw german entry to best foreign film for academy last year- "Baader Mienhof" about history of terrorism from vietnam war to today...very interesting- just a bunch od sick unorganized kids with bombs and guns...

Total fools and they all die in jail...

Spoke to [REDACTED] last night. She sounds a little disoriented. I am giving her a job..have all young people here- doctor told me to keep it very simple....Harold is also advising me how to handle the situation...he says meds have to kick in...to see any progress...

Going to Southampton on Friday- and on Sunday night directly to LA for meetings with all the studios to talk about oscar films...falling forward. xoxo Peg
