hi..nothing new..i left to Paris monday night..we had lunch right before and spend almost whole day together on sunday, we went to cenral park and dinner and then to my apt of course...he was telling me few times he is gonna come to Paris in a week or two..but i dont really see it happenning..but i feel good and im happy..just having some troubles with my wisom tooth which is growing and its been paintfull for 4 days nonstop but im gonna have it taken out in august and had also some troubles with finding an apt to rent in paris for a month, looks like i found smth but will see tomorrow..

How r u? are u excited u r gonna be free soon?i mean im sure u r excited but if u are really really really super excited or r u just happy?
