- 5) Michael Gazzaniga – very likely

Genetics of Modern Humans

- 1) Sarah Tishkoff
- 2) Sam Bowles
- 3) Martin Nowak
- 4) Marcus Feldman
- 5) Sean Carroll

Modern Hunter-Gatherer Behavior

- 1) Polly Weissner
- 2) Kim Hill

Bridging Scholars

- 1) Sarah Hrdy
- 2) Matt Cartmill
- 3) John Fleagle
- 4) Anthony Grayling

Science Writer

1) Michael Balter – *Science*

Observer

1) Mark Weiss – NSF

Proposed Schedule

Thurs 18 February

7:00 pm – Sean Carroll - Workshop Public Talk - Off-campus forum

Friday 19 February

Arrival

Dinner and reception

Saturday 20 February

Workshop

Sunday 21 February

Workshop

Monday 22 February

Morning – Workshop

4:00 pm – Sam Bowles - Human Uniqueness Talk - ASU Campus
