She is perfect for your needs as organiser etc and if you wish I could do it too, and sort of Manage her aswell.

Also thought to write Jeffrey a short note of intro along the lines of

Dear Jeffrey

The Duchess and I were together when you called the other night. I am currently in NY contemplating perhaps leaving Argentina where I am currently living and working. I love Argentina, and I am doing very well there, but I fear I may be becoming a jack of many trades and a master of none! Also, I am wishing to be realistic, life can be tough in Argentina alone. I have a huge amount to give to this world and I am not perhaps realising my full potential at present, or perhaps I am wasting myself where I am at present..
I am open to discuss any opportunities.

Kind regards

Fiona Turney
