**Now Seeking!**

**Creative and hardworking lady is seeking a long term relationship with a creative and outgoing company. Must love socializing and traveling.**

**Past relationships include a few semi-serious flings but I am looking to settle down. I am outgoing, loyal, dependable and have a lot to offer. I am seeking a like-minded individual who is always on the prowl for what's new and next and also has both a sense of humor and a sense of loyalty.**

**For more information, please see my attached resume.**

**Thank you and Kind Regards,**
