Hi Ghislaine:

Thank you very much for keeping us in your thoughts. I of course agree with you in thinking this is a great idea. It is the perfect timing for us and I think we are very well suited for the job. Seems like a potential win-win for all. We really appreciate the consideration, whatever the outcome.

I updated [REDACTED]'s resume with his current job information but he is working now and I couldn't speak to him for his comments. His resume is now all about food and cooking, he loves it. His previous experience is sales, customer service and staff management.

Had his own carpet cleaning business out of high school, then met his ex-wife and lived that life while I was married and in NY. I e-mailed you an old article from People magazine for reference on that story.

Just a reminder to you that I was best friends with [REDACTED] when we were in high school in the early 80's. We are even more than best friends now, quite in love, happy in a solid relationship with no drama. Quite different than both our previous relationships.

Awww. :)

As far as my attached resume, I have been trying to sell real estate full time since February. Let me know if you need anything else.

I look forward to speaking to you about the next steps.

Thanks again!

Best regards,

[REDACTED]
