Title: Master Suite Questionnaire Jeffrey,

I am fine tuning my questions regarding the Master Suite for Pinto.

3. Do you want to keep pair of shutters or replace with metal roll down storm gates as in Palm Beach.

Master Bedroom:

1. Do you want to replace floor finish with wood as the existing, another wood or stone?
2. Do you want to do similar hand painted finish as existing?
3. Is there anything about the existing furniture arrangement that did not work or you did not like?
4. Do you like the curtains and the style?
5. Do you like the rugs?

Dressing Room:

1. Compared to your existing closet, do you need more storage for hanging clothes, shoes, folded clothes, etc.?
2. Do you prefer built-in cabinetry as existing or walk in type?

Bath:

1. Do you still like coral stone, another stone or another finish like plaster for Master Bath walls?
2. Do you still like coral stone, another stone or another finish like terazzo, ceramic, concrete, etc. for Master Bath floors?
3. Do you dislike anything about your vanity? Too big, too small, not enough drawers, need outlets, etc?
4. Do you dislike anything about your medicine cabinet? Too big, too small, bad lighting, etc.?
5. Do you dislike anything about your tub?
6. Do you dislike anything about your steam shower?
7. Do you like the glazed vanity countertop and want to do same or similar or replace with stone or other finish?
8. Do you like the glass ceiling in your Steam Shower or do you want stone?

Toilet Room:

1. Do you want painted finish as existing Toilet Room or other finish as coral stone, stone, tile, etc?
2. Do you like your existing toilet room Toilet Room and if not why?

Lighting:

1. Do you like the existing lighting in Master Bedroom and if not, why not?
2. Do you like the existing lighting in Master Bath and if not, why not?

Hardware:

1. Do you like existing door hardware style or want to replace with other?

I would like as much info as possible, but you need not be exact if you want Pinto to produce several options.

Thank you.
