Jeff,

It is very important that you notify me in advance if there are any issues that are going to impact your social life, i.e, pending lawsuits, actions, etc., so that we can prepare for them BEFORE they hit. Is there a potential pending legal action against your with the Feds for "sex trafficking"? for example. We are, of course, finding references to it. Please understand that any conversations devulged are strictly confidential and for the purposes intended that we have already discussed.

I spent the day with Pablos today and his "hero" hacker friend, who is coming over early this week...
