Hello Jeffery,  
Attached is the proposal with the 2D projector and other changes.  
Upon acceptance of proposal and deposit I can order everything and have it all in  
about 3 weeks! So if you give me the Approval I can have LSJ done before  
Christmas maybe New York also or at least right after holidays

The Titan will be the longest to get right around 3 weeks. They said best to order at  
beginning of the month for quickest delivery.
