Thank you for this information Richard. I will need some time to consider it. While I'm doing so, could you please consider these initial questions:

1. The fees to Anthony Arnove seem extraordinarily high, as I understand his contract was terminated in June. Can you fill that in for me?
2. There is no reference to "daily living" costs. Can you ballpark a monthly figure for that (clothing, groceries)?
3. Please break down the tax figure for me. What portion of the \$260,000 figure is 2016 taxes paid in 2017, what portion is 2017 taxes and what portion is estimated payments towards 2018 taxes. Please also tell me how the figure reconciles with the tax payments (\$180K) in all that we made on Noam's behalf in December of 2017.
4. The schedule is styled "NOAM & ALERIA CHOMSKY INCOME STATEMENT" but there is no information on income. Can you please advise what their income was (and what the sources were).
5. I understood that you were finding a source of funds for Noam to pay his taxes on time. Was that the case, or is interest accruing?
6. On the line marked "Medical" is "plus" all the additional information that you can offer to me, or will there be more?

7. Were there any gifts made by Noam to anyone, including Valeria? (I know this is a delicate question. If Noam could say something like "the aggregate of all gifts, including any to Valeria, did not exceed \$10,000" that would be fine.)

Thanks,

Max
