\*\*\*Need a Copy of the AMM. =lease.

1-I need supporting documen=ation on how the the 2 AUX tanks were removed?

Where they "deactivate= via PATS SB (Service Bulletin)?

A-you mentioned you have th= two extra AUX tanks for our install, do you also have the hardware / Valv=s etc. to go along with this install? So we may re-activate.=/p>

2-why was the 12,400 hour e=gine currently installed removed for shop visit? Margin? Or oil contaminat=on?

Could you fwd this shop vis=t documentation as well please?

3-need supporting documenta=ion for the mid cabin floor change by L3.

From conference table to Di=an install please?

4-was there any other modif=cations for repairs that may raise questions by our DAR? If so can you pro=ide this documentation for our and DAR review as well?

5-it appears the 12k hour e=gine has better margins than the lower time?

6-did they save the confere=ce table / Chairs etc?

Husham, thank you for=you attention,

Best Regards,=/p>
