Hi Jeff,

Hope you are well.

What would it take to get you interested in a business venture in Palm Beach= I know you operate with much larger numbers and business dealings, but I r=ally could use a silent partner in something great. If nothing else, it cou=d maybe be a fun project for you to see grow?

I've been working on this for a long time and put together a plan for an Est=te Management academy that has a lot of potential.

Training Estate Managers, house managers, housekeepers, personal assistants,=chefs, nannies, drivers and security personnel at a school located in Palm B=ach.

The largest domestic staffing agencies in the country love the idea and has a=reed to send candidates to train.

I already have some of the best instructors and educators lined up, as well a= a large mansion to rent that will give the students hands on, real life ex=erience.

I need a modest investment to be able to pull the trigger to do this. Is thi= something you'd be interested in sitting down with me for 20 minutes so I c=n give you the sales pitch?

Best

John
