I found an upgrade t=ay table to solve diving board issue.,
(STEECON Aircraft Interio= pocket doors, tables and Lifts.)

This table is rated for 150lb =tress, which makes it very sturdy when open, i was impressed.

<=iv>Note in the photo, they are using a solid aluminum block which engages =t the ends for support.

Table link:

<http://steecon.com/Overview.aspx>

Thx, Larry
