VIWAPA is amending the application to include a new cable, we expect to have the change in the next two weeks. However unless we can get a resolution back from ACE on the GSJ=LSJ things the LSJ-GSJ legwill be held in abeyance. I send the pictures to Jonathon and told him about the drainage work will put under to road=ay. Waiting to hear back from him.

I think he may be in Puerto Rico this week.

The minor permits were reviewed and forwarded for signature. The next step is a site inspection. Diane needs to reach out to them to schedule it.
