Hello Larry,

It is always helpful to see the aircraft and get a fe=l for the condition. However, a quick visual look would not make a signifi=ant impact on whether or not there is the proper records documentation req=ired for the issuance of a C of A, which is really the determining factor.=br>

Hi =arry,

Unfortunately We are havin= some issues with the charter customer now for these visits.

Our idea was to give the buyer (Mr Epstein) an=opportunity to physically see the aircraft he is buying and also to possib=y have your DAR look at the aircraft in order to see if there will be any =ajor items that would prevent the aircraft from being registered in the US=

I will call you Saturday morning your time

Best Regards,

Claire Brugirard
