Thanks for these answers Richard. Can you address the question about tax payments please?

Max

no interest accruing as discussed

2 no gifts
3 normal household
4 will check =ees. but you should have enough

it shoud have read expense not income =orry,

Thank you for this information Richard. I will need some time to consider it. While I'm doing so, could you =lease consider these initial questions:

1. The fees to Anthony Arnone seem extraordinarily high, as I understand his contract was terminated in =une. Can you fill that in for me?
2. There is no reference to "daily =iving" costs. Can you ballpark a monthly figure for that =clothing, groceries)?
3. Please break down the tax figure for =e. What portion of the \$260,000 figure is 2016 taxes paid in =2017, what portion is 2017 taxes and what portion is estimated payments =owards 2018 taxes. Please also tell me how the figure reconciles =ith the tax payments (\$180K) in all that we made on Noam's =ehalf in December of 2017.

4. The schedule is styled "NOAM & ALERIA CHOMSKY INCOME STATEMENT" but there is no information on income. Can you please advise what their income was (and what the sources were).

5. I understood that you were finding a source of funds for Noam to pay his taxes on time. Was that the case, or is interest accruing?

6. On the line marked "Medical" is "plus" all the additional information that you can offer to me, or will there be more?

7. Were there any gifts made by Noam to anyone, including Valeria? (I know this is a delicate question. If Noam could say something like "the aggregate of all gifts, including any to Valeria, did not exceed \$10,000" that would be fine.)

Thanks,

Max
