The two items below are complete....and in the return:

1. Item 1 is done...I am on the return as third party designee with my ph=ne number.
2. The term "advances" was removed in Regan Arts.

I have not made any change yet to occupation description....

We have used "investment banker" in the "occupation" line for years... le= me know what you would like it to be, I'll make the change. The term "investment banke=" denotes an active participant in an active trade/business...which is important.

I haven't been able to get you on the phone and am hearing a few items 2nd =nd 3rd hand. What I have heard is:

1. You want tom's name and contact info on return.
2. You want to change words: "investmt banker" and 3. You want references t= "advances" (in Regan Arts) deleted.

Do you feel this isn't happening? Also, are there other items?
