Good Morning Jeffrey,

The dye lot cutting for the window line fabric shows it was just delivered. I have one here in front of me as well and I think it's great.

Please confirm you agree and I will get this material ordered so we can keep moving.

Thank you.

Jeffrey,

Glad you like the Hermes Toile Fine, I agree it's a nice choice.

My apologies about the ultra-suede our vendor had a mix up and the samples didn't leave the Texas warehouse as intended. They will be overnighted to you for delivery tomorrow in Palm Beach. If you will not be there please let me know so I can change delivery address.

The Ultra-suede China White I believe is a great pair to the Hermes Toile Fine (pic attached). That will be coming tomorrow along with additional options.

Jeffrey,

There should be four (4) ultrasuede samples in there. I had them send directly from our vendor as they are dye lot cuttings. Let me check if the others are in a separate shipment.
