Jeffrey

just reached NY from London

regarding getting together

present plans:

Sunday until Friday NYC/Jersey then fly to Ft Lauderdale

weekend in Fla fly to Jamaica Monday day before election

any of this can be changed to suit your schedule

if no match, later

London was more than fine, three major lectures, picked up 6 bills, spent quality time with my genetics co-author, Austin Burt, who is doing brilliant work funded by Bill Gates to drive a selfish genetic element into malaria in nature in order to control the latter

hope everything is good with you

bob
