this is bullshit, I am rea=ly rally annoyed. first you dont take care of yourself. &n=sp; and you get sick. you eat shitty food and excercise o=ly intermittently, then you cant help at work because you=are sick and i tell you its ok, but its important that you stay=and get well you keep saying you are not sick while your n=se runs and your sound terrible then contrary to what i told yo= , you continue to go out postponing getting better =- delaying your return to work , because you are stubborn=and do not want to stay at home by yourself and pay the consequences&=bsp; for being irresponsible, . you have a job you a=e well taken care of,, and you decide to risk it , because you refuse to li=ten. . I am very annoyed and dissapointed, I would h=ve thought that you knew how much i was depending on your help and yo= decide to totally ignore what i told you and continue on the path to a ver= very sad place .
