this is only for the lawyers benefit. Lawrence. you have repeatedly taken your own counsel. no pun intended. not sure why you think you are ahead. i can talk wherever you like, but it seems quite a waste of time as you then do as you originally want.

You said yesterday that better for the lawyers to interview my witnesses but not gonna approve that. 5 witnesses will cost me another \$5k. I have talked to each of them myself and they won't need to be prepped by lawyer.

I am at breakfast now then call to me. Can we talk at 1030? I talk to lawyer at 11.

sorry, I was quite clear. I wanted no part of Justin. but as a gesture of my
friendship I sent you 15k , with the understanding that , that was all and you would need to be responsible for your
choice. as I totally respect your right to self destruct. . I see no indication that you have been better off fighting
with the lawyers. . at the end of the day lets look back. his bills are mostly one of his inside people talking to him.
soooo silly.

Jeffrey. Boy this added up. I don't know if you now agree that Justin was right
person. But if you are willing to do the original \$25k I could really use that extra \$10k as I send him \$23k this month. :(
