Good morning=Jeffrey, please review these locations for the master retreat and the ladie=' residence as per the drawing sent earlier. Master is approx where=existing house is and ladies gathering point is a little above the existing=trash area. In this proposal they can have Beach access if wanted.

Don't pay attention to the finishes of the bu=ldings. This is just the raw model for us to see aproximate location, e=evation, etc.

Ramon Alonso
