important finding from the study of airplane crashes is that there is a  
pilot/co-pilot problem at hand, in which the latter (see above) is more  
reality-oriented but has less power

the more the pilot can listen to his co-pilot the better for all concerned<=r>  
thus to 'explicitly' empower co-pilots would seem to be a rational<=r> financial strategy

do you have a co-pilot, is this true, or is yours entirely inside you
