Regarding the sound proofing of the Genset on GSJ

Would you be Ok with the following

Relocate Genset into the existing storage shed

A vented interior wall would need to be built to separate Genset from Solar=batteries

This would achieve three things:

Sound proofing

Protect Genset from environment

Get it out of eyes view

Relocation would occur after new landscaping shed is built on GSJ

Danny has confirmed this can be done

Is this approach ok?

Regards Brice
