Good afternoon

Confirm=ng

I did not ask for draw for dock shelters Only demo a=d apron work , which was scheduled before JPK where approached for the foll=wing work Replacement of Library Roof and Guttering Rep=acement of Master Bedroom Roof and repair of guttering GSJ cottage= renovation and extension And this week I asked for n=mbers for dock shelters

JPK have not produced any n=mbers yet

So as not hold up schedule EB are scheduled to co=ntinue on the simpler Small Shelter and Cutting of dock decking <=iv>I get the feeling JPK will be very good for the big stuff with drawing e=c.

Considering we only gave EB a weeks notic= for Cabana project they have really step up and performed well.<=div> The spread sheet submitted show work completed and projected work<=div>
