Jeffrey,

1) top allergist to test you for aspirin allergy: Sebastian Lighvani, MD; 2=2-517-3300. Wait at least 2 weeks until after-effects of current reaction =ie down
2) Let me know which time works best for Thursday: best for me 3:30 or 4:00=but also OK at 8:00 AM or noon. Ideally her staff would connect with mine =o fill out my health information forms before coming to save some history=aking time. But OK if she doesn't want to do this and prefers to do direct=y with me. I'd like 90 minutes with her, for her to budget her time: less =s doable but not ideal.

Thx,
Woody
