Subject: new info

brad, leon.

After I spoke to you both, I excused myself from a dinner with =ome heads of state to walk into the bathroom to make some calls re 8865.=C2 I wondered whether any group that we could assert had co=trol had filed in the past years. I called Fenn and he told me- yes.???!! he said that on friday , for the first time he l=earned that AGM was not delinquent at all. and had filed. !! I=asked why no one had ever told me or given me the purported ju=tification for no filings in the past for the founders. and he said Well, sorry , it was discussed on fridays call. =C2 ? the call i was not on . not invited to ,the call =A0 wechsler didnt listen in and joslin didnt transmit , if it =s true. Im also now told there is a note from Deloitte r= 13 and 14 that says the founders DO NOT have to file. but fenn could not tell=me who wrote it and said Deloitte says to ignore it. , that s =hy they are pushing now.

steps 1 8865 has many exemptions for fil=ng. let see if we can find one . ( an elegant position m=ght be josh and agm if he is panicked and leave us out ). The requir=ents are FACT specific , so without the facts we still have no=hing. fenn said he has now put someone on it

=A0 2 leon , I suggest need to focus on 1040 , 2015. =A0 , we may even consider filing the minimum 8865 = and wait until we are sure of our specific requirements, and file an amendment for 15 as well as past. no harm no foul\
