Subject: Re: 7 Spiritual Laws of Success

I saw my side championed by you while I was there .

Today's meeting brought a closure for me.&nb=p; I'm no longer desiring to " convert&quo=; them to a different worldview . It's never going to happen and Krauss Da=kins etc have a role in the world . In all honesty they are lightweight th=inkers and dismiss great pioneers like Scroedinger Bohm Bohr etc because they have no desire to go beyond appearances a=d philosophy and the desire for meaning did not and do not lead to predict=ble results in experiments .

I don't think he even got the point that emp=rical " facts" are states of knowledge . I also agree that to a =ot of literalists my language is woo woo and gobbledegook . The random quo=e generator has 150 followers . I have a total of 15 million

.
That's said I'm done debating him and his cr=wd .

People want well being in their lives and ep=stemological / ontological debates don't interest them .

I'm glad you arranged today's meeting . I fe=l satisfied that in my mind there is closure .

I will send several copies of 7 laws to your=NYC address . Who should the recipient be ?

Let me know .

I'm now on board with your monopoly idea tot=llly .

It's a stroke of genius .

Love and gratitude
