Dear Jeffrey,

My heart is fine, but=early last week it became clear that I had lost half of my blood. I =spent four days in the hospital getting transfused and prodded, poked in ev=ry orifice, to search for bleeding. It is likely that I was menstruating from my gut and with a change in anticoagulant this week it a=ppears that the bleeding has stopped. I am a bit tired, a little anem=c, but on the mend.

I will try and call t=is weekend to learn how Jeffrey is doing.

Best,

Richard
