I believe that the r=ndering trees are out of scale; I will review and get back to
you.

Drawings sent yesterday have a graphic scale on the b=ttom left corner. We will
show human scales in the rendering for clarity.&n=sp;

Good morning Jeffrey, please review these locations for the master retreat and the ladies' residence as per the drawing sent earlier. Master is approx where existing house is and ladies gathering point is a little above the existing trash area. In this proposal they can have Beach access if wanted.

Don't pay attention to the finishes of the buildings. This is just the raw model for us to see approximate location, elevation, etc.
