Subject: Timing of Historical 8865 Data

Leon/Josh/Marc:

We have connected with your respective family office= and accountants earlier this week to update them on the timeline for the =istorical form 8865 (and attached 8858) data for the underlying investment= of BRH Holdings L.P.. Deloitte has committed to completing the last 3 years (2012 to 2014) by October 15<=up>th. During that time they will update us on the timing of t=e remaining years going back to 2007, with the intention of completing eve=ything by the end of October.

All of the family offices and accountants were in ag=eement with the timeline and indicated that they do not have the capacity =o complete the historical filings until they finish the 2015 tax filings f=rst which are due 10/15.

Attached is the workplan and timeline of the process=to complete the project. Please let me know if you have any question= or would like to discuss.

Best,
