Dear Jeff –

Here is what=I am going to call the “First Draft” of the legislation.=C2? It is a cleaned up version of what I sent you Friday and it has both=(minor) substantive differences and formatting/renumbering changes, etc.=C2? It also has a four-page explanation section at the end that reviews =he bill and goes into detail on some of the important elements.

Please review and provide comments. I am also going to=share this now with Peter Hiebert and Barry Hart as well as with others in=our firm who have worked on the bill.

In addition=to comments and changes you may have, I expect that Peter and Barry, as we=l as other attorneys in both firms will have some further suggestions whic= we will need to incorporate in future drafts before we send it on to the =overnor.

Also, the bill has not yet been thoroughl= proofread or checked for consistent formatting. That will happen to=ard the end after any substantive changes are made, but if you discover an= errors, please let me know.

Also, let me=know when you want to schedule a call to discuss.
