Good Morning

Attached for your review

Renderings for the Main Kitchen. LSJ
Proposed Appliances

Cost for Cabinets Only: \$30,758.19</=>

Install: Recomm=nd JPK for this Project- TBA

Appliance Cost: \$20,537.19

Tile Work: TBA

Banquette: Refinish: TBA

As discussed we delayed moving forward with this project, waiting to determine quality and finish of the selected Maratha Stewart cabinets.

During this time we have reached out to local supply and research other options, but have not been able to match the finish and or cost.

Appliances

The following Appliances will need replacing

Dishwashers x 2

Wall oven, microwave combo

Main 48" Oven

The Main Oven has been repaired numerous times, and as of date the ovens still do not work.

The Wall oven is non operational

Dishwashers have programming and hardware issues<=div>

The Sub Zero Refrigerator and Ice machine are ok as of date.

Granite Countertops

Planning on using Existing Counter Tops, but this will be tricky, as they will need to be removed for the demo and reinstalled.

Floor Tile: reviewing options for deep cleaning and re-grout

Banquette: Recover, material will need to be selected.

Can we proceed with ordering cabinets and appliance?

regards
