Good Day Rich

LSJ /GSJ Phones are =still being managed through the temporary system Liston and I setup. The =nternet is still only on the Dragonwave link. Abiligail of VIYA has =orrected the bill issue and we should be receiving credits for lack of =ervice.

In addition, Francisco Alvelo texted me on Thursday =equesting our legal counsel to put together a \$1 lease agreement for =he LSJ Fiber. I responded, by asking him to send in an email with any =pecific wording that should be included (I have not seen the =mail).

On =onday, I will call Abiligail concerning the email for the lease and =nquired wording:

1. If they are ready to light the fiber
2. Start date and duration for the project

Regards
JRUan
