Do you approve of this email to Claire and Husham?

Claire and Husham,

In order to present an Accurate Purchase agreement, could you assist with these questions:

- 1- could you provide engine serial numbers, total time and cycles?  
(original spec sheet you provided indicated 4400 and 12000 hour total times on engines).
- 2-Airframe total time and cycles?
- 3-APU total time and cycles to include serial number?
- 4-confirm the aircraft has no damage history both airframe and Engines?
- 5-I await 1C inspection package from Mr. Osman.

Best regards,  
Larry Visoski
