Subject: Follow up

JP – good afternoon. I =eft a message for you on your voicemail at work to follow up on a few items=that I had referenced in my email over the weekend – in particular &#=211; the apparent planting restriction that has been imposed on GSJ and the=clean up of debris and trash. However, we have confirmed with Geneva that w= will be meeting with you and the Commissioner on Friday at 1:30.

Based upon discussions between Geneva and Mr. Epstein&=8217;s staff, it is our understanding that both you and the Commissioner wi=l be unavailable for the remainder of the month and it would be extremely d=sappointing if we could not reach some agreement as to the clean up of cert=in areas and the planting at our meeting this Friday. These conditions cann=t be allowed to continue – as the staff on GSJ has already been expos=d to and treated for a parasitic infection, as was conveyed to the Commissi=ner. I have requested surveys for the areas you indicated, but I would appr=ciate you letting me know if you need anything else in advance of the meeti=g on Friday and further, if you would please confirm by response to t=is email, that Mr. Epstein cannot plant any palm or mango trees in the area=previously described in the permit application and viewed by Mr. Rosa until=such time as a permit it issued by DPNR.

Tha=k you in advance. Feel free to contact me or Mr. Epstein should you have an= questions.
