Mr Epstein:

This is clearly not working. I am going to have my assistant, Jeneva schedule a meeting with you and DPNR to clarify all of these issues. We will go over your plans and memorialize exactly what is needed to permit your project.

thank you very much for your response. I'm now being told, that we need to be sensitive to a bird sanctuary, first it was that my island was protected, then it was in a marine reserve and now bird sanctuary, =A0 NONE of this is true. I will send the dimensions of an area to plant palm trees as asked. . we estimated 30 by 60. . =A0 but for the first time, I now have to submit permissions to plant some trees???. . =A0 with specific dimensions. I want to comply with all that Mr Oriole asks. thanks
