Jeffrey :) How are you doing ? Did you follow up with Zubair's new project ?

I have another talent who is building a start up in tech now. They won a prize in USA to get into some tech accelerator and all team will move to NY soon.

I'm so thankful to you for the Berkeley LLM experience. It makes me want to have an american student life forever :D the education, life on campus, new friends from all globe made it so special

I'm in Switzerland now and am counting days for the second semester at Berkeley Law School. Maybe I will try to get a job as a lawyer in California after!!

You made my dream come true and I'm so grateful for it, my dearest Jeffrey!

Kind regards,
