We will fly down to STT on Friday =ctober 7th, get settled in 8th-9th, hitting LSJ on Monday 10th, leaving Fr=day 9th December, noting given the scope of work that is required we belie=e it will be unlikely that we will get everything completed. Over that tim= we will need to return Zorro, which we will do separately.

We=have spoken to Anna & over this period we propose that we work as a 3 =erson management team

Plan to hit the tunnel & workshops f=rst, will need a truck & a small crew of 4, including Dupson as crew c=ief, so we have someone who can operate heavy machinery. Over this period =e will review staffing, job responsibilities and the operation of the 2 ls=ands We would =refer to stay off Island, will work with Rich regarding accommodation
