The unit will take 2-3 days to arrive to them, boats.net <<http://oats.net>> and then they truck to tropical that fee is include= in quote. We have bought 3-4 lower units from <<http://boats.net>> . They are the cheapest on yamaha parts I have gotten bi=s in the past but nobody comes close. Offshore asks 5 k for this part and t=ey also have to order it. These lower units are pushing hard look at l=ittle c with like 10 people in it, everybody wants to sit on back and right s=de(dry side). I did some numbers, when Little c gas full tank of gas thats=1600 lbs and 10 guys at 200 lbs thats 2000 more pounds.
