**Subject:** Next - Other notes

- 1) Millie is in over her head and a terrible leader whose books are a mess..
- 2) Outstanding checks totaling 904,024 that may have to be reissued  
(137,557 of this total is from a bank account that is closed)
- 3) Accounts payable has many debit balances which are really accounts receivable from models that will never be collected
- 4) Accounts receivable overstated by =50,000 (a lot larger than 250,000 allowance on books) =/span>
- 5) Books have a federal tax payable number of =,721,662 which will not be paid..and poses other issues..
- 6) Sage software used by cookers does not talk to accounting department
- 7) Accounting department has employees that have worked 25-30 years that earn between 44,000 - 55,000 =/span>->  
employees are hired from craigslist and agencies in chinatown  
-> average employee salary is =0,000 and millie makes 10-15x that  
-> amount...
- 8) London bills paid from NYC
- 9) Next sends 75-100 wires per week - extremely inefficient
- 10) Money in foreign entities has not been taxes in US and will be taxed when distributed making UK & Italy (8.6mm) cash useless..
