I agree

Maybe then just stick to Sept 18th meeting -=polite and courteous - I will be respectful and deferential .

On the advice of Leonard I'm removing all cr=ticism of scientists from the book A production company in LA - connected to my=son - is doing a documentary film on the new book .

They are looking for critics

I will film part of it as a lecture Al Gore = Inconvenient Truth " style in Nantucket .

I sent you the poster .

Can send it again by text

They would welcome his criticism

I think we should wait to discuss until Sept=18th unless you suggest we invite him on Sept 23 to Nantucket ?

I'm thinking what I should do with the Autum= of my life.

Will get clarity during silence .

The energy of pleasure has exhausted itself =n me as also the energy that goes into " being right "
