Husham is the Mx tech's response below:  
Viewing their financials shouldn't be kept from us?

I'll request details of  
1-engine HPC disc cycles and Turbine discs 2-Also 24 month=projected due list 3-Current Mx status when all A and C  
check da=es completed

Any other question you can think of?=C2

Hi Larry

=span>Our system for Mx tracking isn't CAMP. It's TRAX which works =ifferently. It's more of an  
enterprise system with financials in it to=.

I could arrange a TRAX report for you i= you like which serves the same process

Hello Claire and Husham,  
Hope all is well,  
May I also have "read only" access to maintenance tracking on DFR? Please

Best,  
Larry

Hello Clai=e,

Can you ask engi=eering these questions:

<=pan>1-can you confirm if A6-DFR has the lower Cabin Altitude Mod installed=, (that lowers cabin altitude from 8000' to 6500')

2-what Maintenance facility changed=the Mid cabin Board room that removed the conference table and installed d=vans?

3-what happen=to the original engines that where installed?

Best regards,

Larry
